Customer Reviews

Great story and it was done very well not only with the actors giving their voice talents but with the background noises making it sound like you were in the battle.

Another great story that is made to sound fantastic. This one speaks of the Titan Legions, and I enjoyed every minute of it.

Loved it!!! Terrific plot. Fantastic sound effects and voice work. A+ This story takes place during the Battle of Calth involving the Titan Legions. Highly recommend it.
