Shades Of Twilight

Synopsis

Dear listener, Shades of Twilight is the story of Roanna Davenport, who grows up in a wealthy southern family but never quite fits in. She isn't pretty or popular, and she has a real talent for saying the wrong thing at precisely the wrong moment. She's in love with a distant cousin, Webb Tallant. But Webb marries their cousin Jessie, the bane of Roanna's life. When Jessie is found murdered, Webb is blamed for her death, even though there isn't enough evidence to charge him. Webb leaves town, and Roanna is left to pick up the pieces. All of her life, Roanna has tried to win the love of her grandmother, of Webb, and of her extended family—and every time she's been slapped down. She's had enough. Roanna withdraws from the family, and that's when her grandmother, Lucinda, realizes how very important this misfit is to all of them. Lucinda tries to make amends to Roanna by setting in motion a chain of events that brings Webb back home. But the plan disturbs a killer who is set on vengeance—and this time, the whole family seems to be the target. I hope you enjoy Shades of Twilight. Sincerely, Linda Howard

Customer Reviews

I loved this story. I am surprised that it did not have a perfect 5 star rating. This is my second Linda Howard book, and it will most definately NOT be my last. This is a story about Roanna and Webb. They are distant second cousins. 7 year old Roanna is left orphaned when her parents die in a car accident. She comes to live with her grandmother at Davencourt, her families rich estate. She does not feel welcome by her family, they treat her as if she is not wanted, but only Webb is there to protect her and make her feel safe. Roanna grows up developing a huge crush on Webb and

practically worships him. She tries out her burgeoning feelings for him in a kiss that sets off a cataclysm of events. Webb and his wife Jessie, Roanna's other cousin, have a fight and threaten each other with divorce. That very night, Jessie ends up dead. Everyone in the family blames Webb, even though the police have no evidence of the fact. He feels no support from anyone and he takes off to start a new life. Spirited Roanna having lost Webb, the only person who ever made her feel worthy, is at a loss. She hides inside her self. Ceasing to care about anyone or anything. Ten years pass, and Roanna grows older, gone is the hoydenish teenager, and in her place is a quiet and sophisticated young woman. At her grandmother's request, Roanna goes off to find Webb. Her grandmother wants to make peace with him before she dies. Webb is surprised when he first sees Roanna all grown up. Gone was the spirited girl with adoring eyes, in her place was a woman with no outward signs of emotion. He feels strong emotions for her, and is upset with the way she is all closed up to him. All withdrawn from everything. Unable to resist her anymore, he takes Roanna and spends a night with her filled with love and passion.
