Customer Reviews

It was good because it was really funny. I would recommend this book to a person that likes mysteries I thought the best part was when Geronimo solved the mysterie

I enjoyed the plot, with enough twists for a mystery book, yet the silly type fonts and full-color pictures make it great for children of all ages. Definite buy.

This mystery was full of twists and turns! I absolutely loved this case. Hurray! Geronimo Stiltonoot isn't in jail! Shame on the triplets abd their dad:(

My son loved this book. He is 9 and not one who wants to read, but with these books he is begging to read every night.

I liked it but it was way to short for my childhood I want something big and as fun as these books

Great series but received with damaged edges because of improper packaging.
