The Lord Of The Rings (The Two Towers) (Pt.2)

Synopsis

READ BY ROB INGLIS. The Two Towers is the second part of JRR Tolkien's epic masterpiece The Lord of the Rings. Frodo and the Companions of the Ring have been beset by danger during their quest to prevent the Ruling Ring from falling into the hands of the Dark Lord by destroying it in the Cracks of Doom. They have lost the wizard, Gandalf, in the battle with an evil spirit in the Mines of Moria; and at the Falls of Rauros, Boromir, seduced by the power of the Ring, tried to seize it by force. While Frodo and Sam made their escape the rest of the company were attacked by Orcs. Now they continue their journey alone down the great River Anduin - alone, that is, save for the mysterious creeping figure that follows wherever they go.

Customer Reviews

J.R.R. Tolkiens trilogy continues in "The Two Towers", the second book of the "Lord of the Rings" trilogy. The first book, "The Fellowship of the Rings" (read my review on it, too!) end with the breaking up of the Fellowship. The Company is faced with a choice, whether to continue on with Frodo the hobbit to Mount Doom to destroy the ring, or travel to Minas Tirith, capital of Gondor, to help fight the evil Sauron's forces. But in the end, Frodo secretly goes off alone with his faithful hobbit friend, Sam, to Mount Doom. The other members split up to try to find them. Here is where "The Two Towers" story begins. Boromir is killed while trying to protect hobbits Merry and Pippin from the evil orcs. The three other members of the Company, Aragorn the Ranger, Legolas the Elf, and Gimli the Dwarf, set out to rescue them. They realize that the orcs are not of the forces of

Sauron, but someone else. Then a member of the Fellowship Gandalf the wizard, whom they thought was killed, tells them that the orcs are working under the wizard Saruman. Before Saruman had been good but had turned to evil and wants the powers of the Ring. Gandalf tells them that Merry and Pippin have escaped are in the capable hands of Treebeard and the Ents. Gandalf, Aragorn, Legolas, and Gimli to instead go to the lands of Rohan to help King Theoden in the upcoming war from the forces of Saruman. Here ends part one of the book. The second part tells about Frodo and Sam's quest to the land of Mordor with the unexpected help of... Gollum! J.R.R. Tolkien is certainly a genius, "The Lord of the Rings" trilogy have such a depth to it! Middle-Earth is so believable with all the legends, history, geography, language, and races so thought out.
