What God Has Joined Together

Synopsis

Raised by God-fearing parents, Bentley Rose and Nylah Christiansen are taught to live and breathe by the Bible and have done everything by the book. But when outside influences threaten their union, insecurities and doubts set in, and temptation tarnishes everything they've worked towards, divorce is inevitable. Bentley and Nylah find themselves facing the biggest crossroad of their lives while clinging to the foundation that has now failed them. Much to their families' dismay, their near-perfect lives come crashing down and their love story comes to an end. Deciding to remain close for their daughter's sake, Bentley prepares to remarry and Nylah struggles to move forward from her unrequited love. Through tears, trials, couple's counseling, and their daughter's prayers, the two realize that their relationship was fashioned in the Heavens, and discover that what God put together, no man, woman, or anything in between, can separate.

Customer Reviews

Let me start by saying this is a recommended read that will have you going through. Olivia did not disappoint, as usual. I love the lessons taught with Christian fiction. Eventhough it was centered around, marriage it also made me see that what GOD has for you is for you, regardless of any

circumstance or test you may go through. Very relatable. But I will say, the sensitive female will definitely need some tissues! I think I went through the emotions right along with Nylah. He**, I think I went through about four different emotions with just the ending alone! Definitely a recommended read!

This was my first read from the author but I plan to read more. I enjoyed the read and read it in 1 day without putting it down. Nalah was a great woman of God and even though Bentley fell he got back up. Even though the book ending was predictable to me I still enjoyed read.

This book had me going through so many emotions, I couldn't take it ^ø. A love like what the characters have IS rare. I enjoyed this story and hope one day I'd find my Bentley..without the divorce lol. Please keep writing and good work.

I personally loved this book. Nylah and Bentley showed us that you don't have to be bitter towards one another. That you still can have a respectful relationship after a divorce. Olivia you didn't disappoint me.

This book was a great read... I loved the relationship between Nyla and Bentley even after they went through what they went through. I would have love to see the moment Bentley came to his senses and how Jaz reacted... Overall great read!
