Customer Reviews

Fantastic information (especially CD #5 about dealing with bill collectors!) and in a compact case that I keep in the car and listen while driving. My son (15) also listened eagerly and asked me to put in another CD. Dave is entertaining and informative - way better than I expected!

I am Debit Free, thanks to this audio, this gives me all the tools I needed to get out of debit. Listened to it on my way to and from work.

Good set, a little dated but the principles are still solid.

Love it and love Dave already have 1000 emergency fund
