Customer Reviews

Bought these for my 9-yr old daughter's Chinese class and they were almost 1/2 the price of those offered by the school. The quality of the paper and book are much sturdier than the others. I would definitely buy these type of learning materials on again. Great value!

I am very happy and surprise that the book I ordered is brand new book , and I got it in one week .The book cost only 2 dollars .Thanks .

I am very happy with my book. Very prompt and in good condition! I look forward to doing business in the near future.

Easy for my 7yr old to use. this is the book that she uses in school. Loved this book, great pictures.

Serves purpose for class work.
