Solos For Young Violinists, Volume 2

Synopsis

Solos for Young Violinists is a graded series that contains works ranging from elementary to advanced levels representing an exciting variety of styles and techniques for violinists -- a valuable listening resource for teachers and students of all ages. The piano tracks, recorded on the second half of each CD, give the violinist the opportunity to practice with accompaniments. This series of recordings can be used by any violinist and is supplementary to any method or course of study. Many of the pieces in this collection have long been recognized as stepping stones to the major violin repertoire, while others are newly published works.

Customer Reviews

This CD was great.I got it because my teacher instructed me to do so.It really helped me learn the songs.I already had purchased the book that it goes along with.The only thing I didn't like about it was that the songs are in a different order on the CD then in the book. It didn't really make any difference, however.The case and CD both came in great shape.Having the piano recordings of the songs on the CD is a great feature.I would recommend this CD to anyone who is interested in violin music.

Really great option for my kids. Nicely recorded, and very useful for my kids - they really enjoy being able to hear the combination of the piano and violin first, then are able to play with the piano alone. They like it and I like it. A winning combination!

These are good for listening to the music. The tempo is really fast if you intend on using the piano accompaniment in practice. This was for my 11 year old. The book and CD are a nice selection of music for young violinists though.

We purchased this CD for our daughter to use when learning and performing pieces in the same book. It is a great quality accompaniment CD and was successfully used it in a recent school performance.

It was required by my daughter's violin instructor to review a piece she would play in the future. It is a very nice selection of pieces for budding young violinists to explore and work on.
