Customer Reviews

I know you're being told not to continue on this series, but power hungry sheep is your second best! First, of course, is Angry Alex. Lenny is awesome, don't stop because people are telling you to. You kinda have this thing called... oh yes, RIGHTS. I'm not gonna call MOST for them haters, since

MOST of them still think you're an amazing author. The ones who don't, haters. But those who love your books with the exception of these, they're just stating opinion (in a kinda harsh way though). But if you like this series, and obviously you do, then keep writing it!End of story.

I Trust I Will Never Read a better book in my lifetime. Crafty Nicole has so many ways of writing it is always hard to believe that it is all the same person. This book has every single quality I like. I hope there is another book that will come out, and if you don't have any ideas that check out the list below. I couldn't believe any books in this series had reviews under five stars. This is better literature than any authors you can name. Douglas Adams? At least three times that skill. Doctor Suess? Can't relate anything they both do as good. Leo Tolstoy? You don't need a thousand pages when your MinecraftTales. This isn't just minecraft. You see, the only reason it makes it any better because it's mimecraft is 1.) it provides more material, and 2.) that's what CN writes. LIST OF IDEAS=====1.) Have Reno come back.

Evets was bluffing when he said Reno was part of his plans. But when Evets got his power taken, it went into Reno making him have all Evets' powers. You can do the rest.2.) Since you said "the end" (∴,0',',',',',) you could have it be different, like either renaming the next bit or having the perspective of a different character. You could use these other ideas for the plot.3.) Same as 1, but we don't know them very well (if at all).4.) have Evets find a way to turn gimmies into more power for him, and make him himself again, but he keeps getting more powerful as time goes by. Eventually, he installs the Ultimate Mod and everyone has to try to beat him when he is at full power.

STOPP MAKING THESE STUPID BOOKS. THIS SERIES SUCKS. YOU ARE A GOOD WRITER SO STOP MAKE SUCH TERRIBLE SERIES LIKE THIS ONE. MAKE MORE MINECRAFT GRAFTERS OF SOMETHING DON'T HOLD YOURSELF IN CHAINS OF POWDER DUMMY SHEEP. JUST STOP WITH THIS SERIES-----MineFoxP.S: I love all of your book but this series. You are very talented but you are slacking off with this series. THIS SERIES SUCKS.

i like the series but add one where he is ruler of the world. he should be married to Lulabelle. this series is really good so please add the book. i will write really good reviews if you do. plz plz plzzz do it. my face if you don't. ----->:c my face if you do. ----->;D good book!

I actually haven't read this book yet, but i can't wait too! Ever since Diary of a Power Hungry sheep i've always imagined Lenny being like Exploding TnTs Pink sheep but British??!! I don't know if its

just me or somethingâ | Anyway i LOVE This book allready and cant wait too read it! -Kassie
