## Synopsis

I am Jesse, my friends and I have to find Soren and get his "super TNT "called Formidi-bomb, the only hope for all of us to destroy the Mega Wither Storm! But what we found in Soren's armoury was deceit and treachery. Locked in a dark chamber deep in Soren's mountain, as the Order of the Stone rides towards certain doom, we must ask ourselves... Can we find a way out of this dark tomb...? Is there any way to cure Gabriel's wither sickness? Would we find a way to defeat the Wither Storm? Or we would remain trapped as it continues its ravenous ramage across the entire world? Only time will tell... Story mode series adapt to the choices you make. The story is tailored by how you play. This is my story AND I made it into a diary.

ender king has really done it this time! while still following the storyplay of MINECRAFT: STORY MODEâ„¢, it ends up with a great twist (to me) for an amazing game by telltale gamesâ„¢! furthermore, i'd like to say that ender king is a great author and i think he deserves a reward! =D sooo awesome! so grab a copy of minecraft:story modeâ„¢, the last place you look, for an awesome adventure for all you minecraft fans, happy minecrafting! -- the uber minecrafter!

It has been fun to ride along the character Jesse on this epic adventure to save the world, in this book the story gets even more intense as the characters struggle to get out of the Dark Tomb. These books are great for kids as they enhance their understanding by these short fictional instances, I Would recommend this to anyone who is looking for a great gift for their growing child.

Trapped in the dark tomb and trying to find the way out. It feels that me myself is trapped in this tomb and as I read, I find myself more engaged. The story appears so realistic that it takes me to a great mysterious ride inside a dark tomb. I am simply loving this "The secret diary of Jesse collection" and want to read more and more of these episodes.

Awesome read as always. Jesse character is growing in popularity and I am liking the collection more and more, did i mention that my small bro doesn't want to go back to boarding school because of the fun he has been having reading the minecraft books?

The third episode of The Secret Diary of Jesse is a bit darker in tone when compared to the previous 2 chapters, but it's packed with the same amount of exciting and interactive content. An outstanding work by Ender!
