Roar! Shh!: A Sounds Board Book (Early Birds)

Synopsis

Introduce children to sounds in this tabbed, brightly illustrated board book! In this first concept book, little ones can turn the tabbed pages to learn different sounds in their world! The spreads feature a jungle, a town, a home, a farm, and a pond. The reader is prompted with "What can you hear?", and the noises that the animals or objects on the page make are included.

Customer Reviews

My toddler learned some of his animal noises from this book. Definitely broadened his vocabulary.

9mo old baby likes this book due to the pretty colorful pics

Not a great attention grabber for 18 month old

Very nice little book for little ones.

our little friend loves the book.
