Left Behind: The Kids Live-Action Audio 6

Synopsis

Based on the final seven books in the best-selling Left Behind: The Kids series, these live-action radio episodes are filled with impressive action and sound effects that kids will love. The Live-Action Audios follow a group of teens who were "left behind" when other friends and family members were taken to heaven by God in the Rapture. All they have left is their friendship and their growing faith in Jesus Christ. The last several years have been tough for them, but in these final spectacular episodes they will receive the greatest reward. With background plots from Left Behind #10: The Remnant, Left Behind #11: Armageddon, and Left Behind #12: Glorious Appearing, kids won't want to miss the fantastic conclusion to this series.

Customer Reviews

The whole audio series of this book is great! I listened to it in the car with my two kids, ages 10/12, when we went to church - it took us almost a year to complete the series but it was very suspenseful and the kids looked forward to listening to it each time we went in the car! The drama is so well done and you feel like you are a part of the character's lives - very much recommended!

this version of the left behind the kids audio series covers what i think is the most exciting books in the whole series. i have read all the left behind the kids books, and i LOVE them. after i finished reading i went straight to the audio series.
