Customer Reviews

Pretty nice book. My only complaint is that the CD is poorly done. You can actually hear a baby crying part way through! LOVE the Suzuki Method though. It's the best way to go with music!

This book is most helpful in getting me back in touch with my 30+ year old flute. It has been a standard for me

Exactly what I was looking for. Very easy to follow songs are good first songs to learn to play on flute

Very good for the learning flute player
