This is a great coloring book for any kid that can't get enough Minecraft! The drawings are great, and are very true to the game, which should appeal to fans. The majority of the pages are pretty simple like the graphics in the game, so it's a great book for young and older kids. Mooshroom is my favorite mob! I also recommend Herobrine's Curse by the same author if you have a kid that wants to go from coloring about minecraft to reading about minecraft.

I bought this for my Minecraft loving nephew and he can't get enough of it. He sat for 2 hours straight when I first gave it to him coloring his favorite characters. He's had it for a week now and keeps asking for it. I may have to buy him another copy!

My son is a minecraft fanatic and this was a perfect 10 for him. He colored it up really quickly, he loved it so much.

Great minecraft graphics : large and fun to color. Good for everyone. Love it!

We're having lots of fun coloring our favorite mobs and the graphics are great.

my grandson loved this coloring book as mine craft is his favorite game

Going in my son's easter basket!! Cant wait for him to see it!
